

DELTA STEWARDSHIP COUNCIL
DELTA SCIENCE PROGRAM

The Delta Stewardship Council and the U.S. Geological Survey Present
A Delta Lead Scientist Candidate Seminar

Understanding Mud and Carbon in The San Francisco Bay Wetlands

Insights for Incorporating Science into Management

**Mon., Mar. 20th
Noon - 1:00**

**Park Tower Plaza
980 Ninth St., 2nd Floor
Sacramento, CA**

John Callaway, Ph.D.

Professor and Graduate Program Director, University of San Francisco

Dr. Callaway's expertise is in wetland restoration,
specifically wetland plant ecology and sediment dynamics.

His recent research projects focus on the development of restored wetlands,
including evaluations of the importance of plant species diversity and the role of
physical heterogeneity in the development of ecosystem functions.
